

Global COVID-19 Pandemic

Situation Report on Bangladesh as of August 29, 2021

WHO has declared the recent COVID-2019 outbreak as a “Pandemic” as of 11/03/2020. The countries are asked to fight back coronavirus following the guidelines provided by WHO and the government of the countries. However, this can be the first pandemic in the history of humanity that can be controlled, according to “Tedros Adhanom Ghebreyesus”, the WHO Director-General.
