### IMPORTANT DATES

**15 FEBRUARY, 2023**

**Extended  
Abstract  
Submission**

The abstract must contain a clear outline of the argument, theoretical and methodological framework, empirical findings and relevance to the theme of inclusive development in Bangladesh.

Selected participants have to submit their full papers (6000-8000 words) before the seminar.

*Include a short bio stating your affiliation not more than 150 words.*

The school of General Education (GenEd) is pleased to announce a young scholars' seminar, which is meant to be interdisciplinary, interactive, and for young aspiring scholars.

The seminar invites young scholars from different academic institutions and disciplines to submit their research papers for presentation.

Interested graduate students, budding researchers and other early-career scholars

**SUBMIT NOW!!!**

Submit your abstract at: [genedyss@bracu.ac.bd](mailto:genedyss@bracu.ac.bd)
